

## **Position: Water Treatment Plant Operator Apprentice**

The Atlantic City Municipal Utilities Authority (MUA) is looking for College Graduates with degrees in the sciences or engineering to fill the position of a Water Treatment Plant Operator Apprentice. The MUA owns and operates a 22mgd water treatment plant in Pleasantville, NJ. The starter position requires shift work, the ability to make minor mechanical repairs, and to operate equipment associated with water treatment facilities both manually and computer controlled.

The MUA offers excellent benefits, and is a member of the New Jersey Public Employees Retirement System (PERS), as well as an Equal Opportunity Employer.

Please submit your resume and cover letter by e-mail to [personnel.office@acmua.org](mailto:personnel.office@acmua.org)
