

Atlantic City Municipal Utilities Authority

APPLICATION FOR CHANGE IN WATER METER SIZE

Date: _____

Account No. _____

Location: _____

I, _____, (OWNER/AGENT) of the property herewith request the ATLANTIC CITY MUNICIPAL UTILITIES AUTHORITY to change the size of the water meter presently serving this account from a _____ INCH WATER METER to a _____ INCH WATER METER. I have been advised by a representative of the ATLANTIC CITY MUNICIPAL UTILITIES AUTHORITY and I fully understand that the change in the size of the water meter may result in reduced water pressure and reduced capacity in the water service to this account.

I am submitting herewith the required fee for the requested change in the size of the water meter service for the above account in the amount of \$_____.

Charges for a Reduction in Water Meter Size (Work to be done by Authority Personnel)

\$150.00 for a resize of 5/8" or 1" meter

\$220.00 for a 1-1/2" meter

\$275.00 for a larger 2" meter

Time and Materials for any meter larger than 2" (\$500.00 Deposit required with this form. Any difference to be debited or credited to Customer.)

PLEASE NOTE: All meter sizes referenced above are the existing meter size before the reduction.
