

Atlantic City Municipal Utilities Authority (ACMUA)

Request for Proposals for Professional Services

Deadline to Submit Proposal: January 30, 2024

**Addendum #1 Issued January 25, 2024**

In response to its Request for Qualifications for Professional Services, the Authority has received the following questions. As a recipient or interested potential respondent, please take note and consider the questions and answers provided thereto in drafting your proposal.

We have the following questions about the current RFQ for Various Professional Services:

- 1.) Page 2 of the RFQ states that "Three (3) copies each of the Technical Proposal and Fee/Cost Proposal clearly marked with the title of the RFQ are to be delivered to Michael A. Armstrong, Executive Director, Atlantic City Municipal Utilities ACMUA Board Room, located at 401 N. Virginia Avenue, Atlantic City, New Jersey 08401." Could you clarify if a separate Cost Proposal should be submitted or if the Fee Schedule included in the proposal will be sufficient?

Answer: A fee schedule included in the proposal is sufficient.

- 2.) Page 2 of the RFQ states that "Three (3) copies each of the Technical Proposal and Fee/Cost Proposal clearly marked with the title of the RFQ are to be delivered to Michael A. Armstrong, Executive Director, Atlantic City Municipal Utilities ACMUA Board Room, located at 401 N. Virginia Avenue, Atlantic City, New Jersey 08401" and Page 19 includes "An Original with Three (3) signed copies of your complete proposal." Could you clarify if we should submit One Original and Three Copies and if signatures should be original for those copies?

Answer: The original complete proposal must have original signatures/initials in all required places. Copies are not required to contain original signatures.
