

## LIMITED BOIL WATER ADVISORY LIFT NOTICE

**FOR CUSTOMERS OF ATLANTIC CITY MUNICIPAL UTILITIES AUTHORITY,  
NJ0102001**

Customers of Atlantic City MUA were notified on 5/20/2024 of a limited boiled water advisory for customers on Florida Avenue between Arctic and Fairmount Avenues and were advised to boil the tap water before using. We are pleased to report that water quality testing shows the water quality to be safe.

**THE BOIL WATER ADVISORY IS LIFTED** and it is no longer necessary to boil your water before using. The following measures are strongly encouraged at this time:

- Run your water faucets for 3-5 minutes to flush your service connection and interior plumbing with water from the service main.
- Empty and clean your automatic ice makers and water chillers.
- Drain and refill your hot water heater if the temperature is set below 113 degrees Fahrenheit.
- Service connections with a water softener/cartridge filters should be run through a regeneration cycle or other procedures recommended by the manufacturer.
- Water reservoirs in tall buildings should be drained and refilled (as applicable).

We apologize for any inconvenience and thank you for your patience. If you have any questions or comments, please contact:

Atlantic City Municipal Utilities Authority
