

Assistant Water Distribution System Manager

The Atlantic City Municipal Utilities Authority seeks candidates for the full-time position of Assistant Water Distribution System Manager. The Authority provides public water service in Atlantic City, New Jersey.

- Candidates must have substantial experience with the operation, repair, maintenance and management of comparable distribution systems and leadership of unionized personnel.
- An in-depth knowledge of USEPA and NJDEP water regulations, good communication and computer skills
- A demonstrated ability to interface with the public, work independently and efficiently.
- Ten (10) years of experience in the water distribution field with a minimum of four (4) years supervisory experience responsibilities.
- A NJDEP Distribution Water Distribution license (W2) is preferred. The Authority offers excellent health benefits and is a member of the New Jersey Public Employee Retirement system. Salary will be commensurate with qualifications and experience. The Authority is an Equal Opportunity Employer. Please submit resume and cover letter by email to personnel.office@acmua.org This job posting will remain open until filled.
