PUBLIC NOTICE

2024 FALL WATER MAIN/ HYDRANT FLUSHING

The ACMUA will continue flushing fire hydrants on Monday, September 30, 2024, 8 AM – 5 PM Monday through Friday.

While flushing, water may become cloudy or discolored and you may notice a decrease in water pressure. If you experience cloudy or discolored water, please run your water until it is clear.

The ACMUA thanks you in advance for your cooperation while we perform the necessary functions to ensure the safety of all residents. If you have any questions, call 609-345-3315.
